In her new role, Weeks will identify water and wastewater systems that are considering a sale of their assets and can benefit from Aqua's core competencies including infrastructure renewal, water quality and regulatory compliance, and capital financing.

"Krista has played an important role since joining the team as a financial rates analyst two years ago," said Aqua Pennsylvania President Marc Lucca, to whom she reports. "She is committed to strategic growth at Aqua and delivering shareholder value across the company. We know her skills and experience will allow her to continue to excel at Aqua."

Weeks joined Aqua in 2017 as a financial rates analyst after gaining experience in the pharmaceutical industry in chargeback analysis and accounting. In her previous role, she participated in regulatory filings, revenue analysis, acquisition proforma modeling, assisted in tax repair, budgeting, and operating reports.

Weeks graduated from the University of Central Florida with a Bachelor of Science degree in interdisciplinary studies including business finance, mass communication, and legal studies.

Aqua Pennsylvania serves approximately 1.4 million people in 32 counties throughout the Commonwealth of Pennsylvania.
