BCWSA Board finds terms of Aqua Pennsylvania's proposal to be in the best interest of its customers, taxpayers and the county

BRYN MAWR, Pa.--(BUSINESS WIRE)--Jul. 13, 2022-- Essential Utilities Inc. (NYSE: WTRG) announced that its Aqua Pennsylvania subsidiary was the sole company selected by the board of the Bucks County Water and Sewer Authority to advance to more definitive discussions regarding the sale of the authority's wastewater assets. Aqua Pennsylvania formally offered more than \$1.1 billion for BCWSA.

At a public meeting held earlier today, the BCWSA Board voted to grant Aqua a one-year exclusivity agreement and formally recommended Aqua as the proposed purchaser after conducting a thorough competitive bid process. Aqua's offer was selected based on the board's determination that Aqua's terms were the most beneficial to its customers, taxpayers and Bucks County. The award was conditioned upon several items including a final vote by the Authority and the entering into a definitive agreement in which Aqua will buy and the Authority will sell the wastewater assets.

"We are very pleased that BCWSA chose Aqua as its potential partner for the sale of its wastewater operations. We look forward to discussing the merits of the transaction and the benefits to BCWSA customers and employees and to all Bucks County residents in the coming weeks," said Essential Chairman and CEO Christopher Franklin.

Aqua Pennsylvania serves approximately 1.5 million people in 32 counties throughout the Commonwealth of Pennsylvania. Visit AquaAmerica.com for more information or follow Aqua on Facebook at facebook.com/MyAquaAmerica and on Twitter at @MyAquaAmerica.
