

A month-long celebration of volunteer events, donations and employee education opportunities across our water and natural gas segments

2025 RESULTS:

Donated **\$1.2M** to **38** environmental organizations

**450** employees volunteered **1,500 hours** at **38** volunteer events

**306** employees attended educational programs on environmental topics

## OUR IMPACT

Employees throughout our 9-state footprint participated in:

Cleanup efforts that collected **195** bags of litter and other debris from rivers, trails, and roadways

Planting initiatives that removed invasive weeds and installed more than **11,000** trees and native wildflowers to improve habitat and beautify public spaces

Gardening projects that constructed **160** raised beds for low-income families to grow their own produce

Water quality efforts that involved **cleaning a lake bottom** in a community park

Educational programs that introduced a **rock and mineral curriculum** for local youth

Conservation efforts that built **duck nesting boxes** to support mallard populations

Collection drives that diverted **clothing from landfills** while providing for families in need

Since 2022, more than **1,800 employees** have participated in **152 events**, logging **6,400+ hours** to support environmental causes. In total, Essential has donated **\$2.9M** to protect natural resources and invest in a more sustainable future.
