PLAN OVERVIEW

The Aqua America, Inc. Dividend Reinvestment and Direct Stock Purchase Plan (the "Plan") provides you with a convenient and economical way to purchase shares of our common stock and to reinvest your cash dividends in additional shares. The Plan has various features and you can select those features that meet your investment needs.

The Plan is designed for long-term investors who wish to invest and build their share ownership over time. Unlike an individual stock brokerage account, the timing of purchases and sales is subject to the provisions of the Plan.

Please read this prospectus carefully. If you are a shareholder of record with a minimum of 5 shares in your account, and wish to participate in the Plan, please sign and execute a Dividend Reinvestment and Direct Stock Purchase Plan Authorization Form (the "Authorization Form"). Investors wishing to make an initial investment of not less than \$500 should complete the Dividend Reinvestment and Direct Stock Purchase Plan Enrollment Form (the "Enrollment Form"). Either form, when completed, should be mailed to EquiServe Trust Company, N.A. (the "Administrator").

You can also enroll in the Plan and access your Plan account through the Internet at the Administrator's web site, www.equiserve.com, at any time. In addition, you can authorize one-time initial and subsequent optional cash investments or establish recurring automatic withdrawals from your U.S. bank account.

A SUMMARY OF IMPORTANT PLAN FEATURES

- Participation. You may participate in the Plan if you own at least 5 shares of Aqua America common stock that are registered in your name. You may also participate by making an initial minimum investment of at least \$500 through automatic withdrawal from your U.S. bank account, by check or by a one-time online bank debit through the Buy Stock Direct option on EquiServe's web site, www.equiserve.com. All U.S. citizens are eligible to join the Plan, whether or not they are currently shareholders. Foreign citizens are eligible to participate as long as their participation would not violate any laws in their home countries or other non-U.S. laws.
- Automatic Dividend Reinvestment. You can reinvest all or a portion of the cash dividends received on your first 100,000 shares toward the purchase of additional shares of our common stock, without paying trading fees or commissions. For purposes of the Plan, the term "full dividend reinvestment" means the reinvestment of dividends on all shares held by you in your name under the Plan up to a maximum of 100,000 shares.
- Electronic Deposit of Cash Dividends. You can authorize the Administrator to deposit your cash dividends directly into your U.S. bank account.
- Optional Cash Investments. As a shareholder, you can buy additional shares of our common stock at any time for as little as \$50. The maximum optional cash investment you may make in any calendar year is \$250,000. You can pay by check or by a one-time online bank debit through the Buy Stock Direct option on EquiServe's web site, www.equiserve.com, or have your payment automatically withdrawn from your U.S. bank account.
- IRAs. You may establish a traditional IRA, a Roth IRA or a Coverdell Education Savings Account which invests in common stock through the Plan. IRA contributions and rollovers do not count against a participant's \$250,000 annual investment limitation. There is an annual maintenance fee of \$45.00 charged by the IRA and Coverdell Education Saving Account Trustee, which we will pay for the first calendar year in which you participate. In all subsequent years, twenty-five dollars (\$25.00) of this annual fee will be charged to you, with the balance paid by us.
- Full Investment. Full investment of your funds is possible because any initial investment and optional cash investments will be used to buy whole and fractional shares. In addition, the full dividend earned on your shares (up to the first 100,000 shares you own), including fractional shares, will be reinvested or paid out as you designate.
- Safekeeping of Certificates. Shares purchased through the Plan for which you request certificates to be issued will be held by the Administrator for safekeeping. You may also deposit any Aqua

3

America, or previously named Philadelphia Suburban Corporation, stock certificates that you hold for safekeeping, at no charge.

- Transaction Reporting. You will receive a statement following each transaction showing the details of, and your share balance in, your Plan account.
- Internet Account Access. You can also enroll in the Plan and access your Plan account through the Internet at the Administrator's web site, www.equiserve.com, at any time. In addition, you can authorize one-time initial and subsequent optional cash investments or establish recurring automatic withdrawals from your U.S. bank account.

To obtain access, you will need Aqua America's issue number and your account number, each of which can be found on your dividend check or statement, as well as your password. You can request a new password on-line or by calling the Administrator at 1-800-205-8314.

PARTICIPATION AND ENROLLMENT

If you already own at least 5 shares of our common stock, you are eligible to participate in the Plan.

- If your shares are registered in your name, you can enroll in the Plan through the Internet at the Administrator's web site, www.equiserve.com, or you can fill out the Authorization Form and return it to the Administrator.
- If your shares of our common stock are held in "street" name, that is, as a beneficial owner through a bank or broker, you may participate in the Plan by instructing your bank or broker to have some or all of your shares of our common stock registered in your name. Simply instruct your bank or broker to transfer at least 5 of your shares of our common stock electronically through the Direct Registration System from your brokerage account to a new book-entry account at the Administrator. Please contact your bank or broker for more information. Once at least 5 of your shares of our common stock

are moved from your brokerage account to a new book-entry account registered in your name with the Administrator, you may then participate in the Plan. Alternatively, you may instruct your bank or broker to arrange to have a paper stock certificate issued to you for at least 5 of your shares of our common stock. Once at least 5 shares are registered in your name, you may participate in the Plan. If the shares that you hold are in certificated form, you can deposit these certificated shares in your Plan account for safekeeping. In each instance, any fees or charges assessed by your bank or broker are your responsibility and will not be paid by us.

If you do not own any shares of our common stock, or if you wish to establish a separate account, you can go to the Administrator's web site, www.equiserve.com, and follow the instructions provided. You may enroll in the Plan by authorizing a one-time online bank debit from your U.S. bank account for an initial investment of at least \$500 or by establishing recurring automatic withdrawals from your U.S. bank account for a minimum of \$50 per transaction for at least ten consecutive months. Automatic withdrawal is further described in the "Optional Cash Investments" section of this prospectus. You can also fill out the Enrollment Form and return it to the Administrator. Enclose a check, in U.S. dollars, for at least \$500. You can receive an Enrollment Form by contacting the Administrator through the channels outlined in the "Administration" section of this prospectus. If you wish to make your initial investment through automatic withdrawals, you must agree to continue with the withdrawals until the \$500 minimum initial investment is reached. Please note, such automatic withdrawals continue indefinitely beyond the initial investment until you notify the Administrator through the Internet, by telephone or in writing to stop such automatic withdrawals.

If you open an account for another person by transferring stock from your account, you must transfer a minimum of 5 shares into that account.

5

DIVIDEND REINVESTMENT

You may choose to reinvest all or a portion of the dividends paid on your first 100,000 shares of our common stock held in your Plan account. Your dividends will be used to buy additional shares of our common stock at a 5% discount from the prevailing market price. You have the following options for your dividends:

- Full Dividend Reinvestment. Your cash dividends received on shares you own up to 100,000 shares will be used to buy additional shares for you.
- Partial Dividend Reinvestment. If you do not want full dividend reinvestment, select a lower number of full shares on which you want your dividends to be paid in cash. The balance of your dividends will be reinvested.
- All Cash (no dividend reinvestment). Your dividends on all of your shares will be paid in cash.

If you do not indicate which reinvestment option you want on the enrollment form, you will be automatically enrolled in full dividend reinvestment.

The Administrator must receive your instructions at least one business day prior to the given dividend record date in order to ensure that your next dividend will be reinvested.

The 100,000 share reinvestment limitation does not apply to our pension plan or any of our other employee benefit plans.

ELECTRONIC DEPOSIT OF CASH DIVIDENDS

If you are receiving all or a portion of your dividends in cash, you may have them electronically deposited into your U.S. bank account by completing an Electronic Deposit of Dividends Enrollment Form or by mailing a voided check or deposit slip to the Administrator. Contact the Administrator to receive an Electronic Deposit of Dividends Enrollment Form. This feature may be changed

or discontinued at any time by notifying the Administrator. If you change your U.S. bank account and fail to notify the Administrator of the change, a check for your dividends will be issued and mailed only after the funds have been returned from the receiving bank.

OPTIONAL CASH INVESTMENTS

Existing registered shareholders who are participants in the Plan may buy additional shares of our common stock at any time by investing at least \$50. Your total optional cash investment may not exceed \$250,000 in a calendar year. Interest will not be paid on amounts held pending investment. Optional cash investments may be made:

- By one-time online bank debit. At any time, you may make optional cash investments by going to the Administrator's web site, www.equiserve.com, and authorizing a one-time online bank debit from your U.S. bank account. One-time online optional cash investment funds will be held by the Administrator for three banking business days before they are invested. Please refer to the online confirmation for your bank account debit date and investment date. In the event that a one-time online bank debit is not honored for any reason, the Administrator will consider the request for the investment of that money null and void and shall immediately remove from the

6

participant's account the shares, if any, purchased upon the prior credit of such money. A fee of \$25 will also be assessed against the participant's account. The Administrator will then be entitled to sell those shares to satisfy the balance of such uncollected amounts. If the net proceeds of the sale of those shares are insufficient to satisfy the balance of such uncollected amounts, the Administrator will be entitled to sell additional shares from the participant's account to satisfy the uncollected balance.

- By check. Mail your check with the cash investment form from the bottom of your account statement to the address on the cash investment form. Do not send cash, traveler's checks, money orders or third party checks. All checks should be in U.S. funds and drawn from a U.S. bank. All payments should be made to EquiServe. In the event that a check is returned unpaid for any reason to the Administrator by the bank on which it is drawn, the Administrator will consider the request for investment of that money null and void and shall immediately remove from the participant's account the shares, if any, purchased upon the prior credit of such money. A fee of \$25 will also be assessed against the participant's account. The Administrator will then be entitled to sell those shares to satisfy any uncollected balance. If the net proceeds of the sale of those shares are insufficient to satisfy the balance of such uncollected amounts, the Administrator will be entitled to sell additional shares from the participant's account to satisfy the uncollected balance.
- By recurring automatic withdrawals from a U.S. bank account. You can establish recurring automatic withdrawals through the Internet at the Administrator's web site, www.equiserve.com, or by filling out an Authorization Form for automatic withdrawals. You can receive an Authorization Form by contacting the Administrator through the channels outlined in the "Administration" section of this prospectus. All automatic withdrawal enrollment information must be received at least 30 days prior to the first debit date. Funds will be deducted from your bank account on the first business day of each month. If this date falls on a bank holiday, or non-business day, funds may be deducted on the next business day. These funds may be commingled with other optional cash investments. All funds automatically withdrawn from your bank account will be invested on the second Tuesday, or next following business day, of the month. Automatic withdrawals will continue at the level you set until you instruct the Administrator otherwise. You can change or stop automatic withdrawals by accessing your Plan account through the Internet at the Administrator's web site, www.equiserve.com, by calling the Administrator at 1-800-205-8314, by completing and returning a new Authorization Form or by giving written instructions to the Administrator. You must contact the Administrator at least 7 business days prior to the debit date to change or terminate automatic withdrawal. In the event that an automatic withdrawal is not

honored for any reason, the Administrator will consider the request for investment of that money null and void and shall immediately remove from the participant's account the shares, if any, purchased upon the prior credit of such money. A fee of \$25 will also be assessed against the participant's account. The Administrator will then be entitled to sell those shares to satisfy any uncollected balance. If the net proceeds of the sale of those shares are insufficient to satisfy the balance of such uncollected amounts, the Administrator will be entitled to sell additional shares from the participant's account to satisfy the uncollected balance.

7

PURCHASE AND SOURCE OF SHARES

Shares of our common stock needed to meet the requirements of the Plan will either be purchased in the open market or issued directly by us. We will pay trading fees and brokerage commissions incurred for the purchase of shares. The Administrator will invest your funds as promptly as practicable, at least once each week. However, funds automatically withdrawn from your U.S. bank account will be invested as specified above in "Optional Cash Investments - By automatic recurring withdrawals from a U.S. bank account." Funds may not be returned once they have been submitted to the Administrator. In the unlikely event that, due to unusual market conditions, the Administrator is unable to purchase shares of our common stock within 30 days, the funds will be returned to you by check. No interest will be paid on funds held by the Administrator pending investment. All dividends will be invested independently from optional cash investments.

Please note that you will not be able to direct the Administrator to purchase shares at a specific time or at a specific price or through a specific broker or dealer.

PRICE OF SHARES

Open market purchases for initial, optional and IRA investments will be at a price equal to 100% of the weighted average per share price of shares purchased by the Administrator to satisfy Plan requirements. If the Administrator purchases shares to meet the dividend reinvestment requirement in the open market, your price per share will be 95% of the weighted average price of shares purchased. We will pay all trading fees and brokerage commissions in connection with open market purchases.

For original issue or treasury shares purchased from Aqua America for initial, optional and IRA investments, the price per share will be 100% of the average of the daily high and low trading prices quoted on The New York Stock Exchange composite transaction listing on the day of purchase (the investment date).

For original issue or treasury shares purchased from Aqua America to meet the dividend reinvestment requirement under the Plan, the price per share will be 95% of the average of the daily high and low trading prices quoted on The New York Stock Exchange composite transaction listing for the five trading days preceding the dividend payment date.

SALE OF SHARES

You can sell some or all of the shares held in your Plan account, or any other book-entry shares of Aqua America, by accessing your Plan account through the Internet at the Administrator's web site, www.equiserve.com, by calling the Administrator at 1-800-205-8314, by providing written instructions to the Administrator or by mailing the form attached to your Plan statement. Sale orders placed over the phone may be subject to a limit established by the Administrator. We are not responsible for trading fees incurred in the sale of shares.

The Administrator will sell shares in a timely manner upon receipt of your instructions. Sales will be made at least weekly and more frequently if volume dictates. The sale price for Plan Participants will be the weighted average sale price received by the Administrator for all sales during the period required

8

to complete the sales. You will receive the proceeds of the sale, minus a \$15.00 transaction fee, brokerage commissions of \$0.15 per each share sold and any applicable transfer taxes.

Please note that the Administrator is not able to accept instructions to sell on a specific day or at a specific price or through a specific broker or dealer. If you prefer to have complete control over the exact timing and sales prices, you can withdraw the shares and sell them through a broker of your own choosing.

All sales requests having an anticipated market value of \$100,000 or more must be submitted in written form. In addition, all sales requests received by the Administrator within 30 days of an address change to your Plan account must be submitted in written form.

If your holdings in any account fall below 5 shares, the Administrator may close that account out of the Plan as described in the "Minimum Account" section of this prospectus.

INDIVIDUAL RETIREMENT ACCOUNTS ("IRA")

You may establish a Traditional IRA, Roth IRA or Coverdell Education Savings Account of our common stock by returning completed Enrollment Forms together with your contribution to the IRA and Coverdell Education Savings Account Trustee. If you are already a shareholder of at least 5 shares, you may open an IRA or Coverdell Education Savings Account with as little as \$50. If you are not a shareholder, the minimum contribution to open an account is \$500.

You may also open an IRA or Coverdell Education Savings Account to receive a cash rollover or a transfer of Aqua America shares from another IRA or qualified retirement plan. The IRA and Coverdell Savings Account Trustee will invest the cash rollovers into shares of our common stock.

There is an annual maintenance fee of \$45.00 charged by the IRA and Coverdell Education Savings Account Trustee, which we will pay for the first calendar year in which you participate. In all subsequent years, twenty-five dollars (\$25.00) of this annual fee will be charged to you, with the balance paid by us.

IRA and Coverdell Education Savings Account contributions and rollovers will not count against the \$250,000 maximum investment limit under the Plan.

If you are interested in opening a Traditional IRA, Roth IRA or Coverdell Education Savings Account, you may obtain the enrollment and a disclosure statement from EquiServe Trust Company, N.A., which will administer the IRA and Coverdell Education Savings Account. For information, call the EquiServe IRA Department at its toll-free number, 1-800-472-7428.

SAFEKEEPING OF CERTIFICATES AND BOOK ENTRY

For your convenience, shares purchased under the Plan will be maintained by the Administrator in your name in book-entry form. You may, however, request a stock certificate, free of charge, by accessing your Plan account through the Internet at the Administrator's web site, www.equiserve.com, by calling the Administrator at 1-800-205-8314 or by providing written instructions to the Administrator.

If you are holding certificates for Aqua America, Inc., or previously named Philadelphia Suburban Corporation common stock, you may use the Plan's "safekeeping" service to deposit those stock certificates at no cost. Safekeeping protects your shares against loss, theft or accidental destruction and provides a convenient way for you to keep track of your shares. Only shares held in safekeeping or in book-entry form may be sold through the Plan.

To use the safekeeping service, send your certificates to the Administrator at the address listed on page 4 of this prospectus by registered or certified mail, with a return receipt requested or some other form of traceable mail, properly insured. YOU SHOULD NOT ENDORSE THE STOCK CERTIFICATE BEFORE YOU SEND IT IN.

TRACKING YOUR INVESTMENT

The Administrator will send a statement confirming the details of each transaction you make. If you continue to be enrolled in the Plan, but have no transactions, the Administrator will mail you an annual statement reflecting your holdings.

You should notify the Administrator promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

Please retain your statements to establish the cost basis of shares purchased under the Plan for income tax and other purposes. A \$20 flat fee per year requested will be charged for all prior year duplicate statement requests.

You may also view year-to-date transaction activity in your Plan account for the current year, as well as activity in prior years, by accessing your Plan account through the Internet at the Administrator's web site, www.equiserve.com.

OBTAINING A STOCK CERTIFICATE

To obtain a stock certificate for all or a portion of your full shares, you can contact the Administrator by accessing your Plan account through the Internet at the Administrator's web site, www.equiserve.com, by calling the Administrator at 1-800-205-8314, by making a written request of the Administrator or by completing the transaction form at the bottom of your statement and submitting it to the Administrator. The certificate will be issued at no cost to you. If your request involves a fractional share, a check (less any fees and brokerage commissions) for the value of the fractional share will be mailed to you.

If you want the certificate issued in a name other than your Plan account registration, the Administrator may require you to have your signature guaranteed by a financial institution in the Medallion Guarantee program.

10

TRANSFERS

You may transfer or give our common stock to anyone you choose by:

- Making an initial \$500 cash investment to establish a new account in the recipient's name; or
- Making an optional cash investment on behalf of an existing shareholder in the Plan in an amount not less than \$50 nor more than \$250,000 in one calendar year; or
- Transferring at least 5 shares from your account to the recipient.

If you would like transfer instructions and documentation sent to you or if you need additional assistance, please contact the Administrator at 1-800-205-8314 or through the Administrator's web site, www.equiserve.com.

DIVIDEND PAYMENT AND RECORD DATES

Normal dividend payment dates are expected to be on the first day of March, June, September and December. The record date usually precedes the dividend payment date by 10 business days.

In order to be the owner of record and eligible to receive the quarterly dividend, your shares must have been purchased and the transaction settled three trading days prior to the record date (the ex-dividend date). We can give no guarantee whatsoever that we will declare dividends in the future.

TERMINATION OF PARTICIPATION

If you wish to stop reinvesting your dividends or to stop automatic monthly investments, please use the transaction form from the bottom of your statement or contact the Administrator by accessing your Plan account through the Internet at the Administrator's web site, www.equiserve.com, by calling the Administrator at 1-800-205-8314 or by providing written instructions to the Administrator.

MINIMUM ACCOUNT

After you have made your initial contribution of \$500 by automatic withdrawals, check or one-time online bank debit, or had at least 5 shares transferred into an account registered in your name under the Plan, you must, at all times you are enrolled in the Plan, keep a minimum number of 5 shares of our common stock in your account. If you keep less than 5 shares in your account, the Administrator will contact you, at your record address, to notify you that your account will be closed within sixty (60) days of the day that your account held less than 5 shares. You will then have sixty (60) days from that date to purchase enough shares to have at least 5 shares in your account.

If the above-referenced time period passes without you meeting the 5-share limit, the Administrator will close the account. A check representing the cash value of all of your shares based upon the then-current market value price less any trading fees, brokerage commissions or other costs of sale, will be sent to your address of record thereby closing the account. To resume participation in the Plan you will have to enroll again or otherwise re-enter the Plan.

11

COSTS

We pay for all administrative fees and brokerage commissions associated with the reinvestment of dividends and the making of optional cash investments.

For each sale of whole shares from your Plan account, you will be charged a \$15.00 service fee, a brokerage commission of \$0.15 per each share sold by the Administrator and any applicable transfer taxes.

There is an annual maintenance fee of \$45.00 charged by the IRA and Coverdell Education Savings Account Trustee, which we will pay for the first calendar year in which you participate. In all subsequent years, twenty-five dollars (\$25.00) of this annual fee will be charged to you, with the balance of the annual fee paid by us.

TAXES

All dividends paid to you - whether or not they are reinvested - are considered taxable income to you in the year they are paid. The total amount will be reported to you, and to the Internal Revenue Service, shortly after the close of each year. If you are reinvesting your dividends, the value of the 5% discount from the purchase price of the shares (the calculated fair market value) will also be reported as taxable income.

All shares of stock that are sold through the Administrator will also be reported to the IRS as required by law. Any profit or loss you incur should be reflected when you file your income tax returns.

In addition, the Internal Revenue Service may require that any per share brokerage commissions incurred in the purchase of shares and paid by us on your behalf be treated as dividend income to you, in which case such amounts can be included in your cost basis of shares purchased.

Be sure to keep your statements of account for income tax purposes. A fee of \$20.00 per year requested may be incurred to furnish historical information. If you have questions about the tax basis of any transactions, please consult your own tax advisor.

VOTING

For any shareholder meeting you will receive a proxy for full and fractional shares that will cover all of our common stock that you hold, both in the Plan and outside of the Plan. The proxy allows you to indicate how you want your shares to be voted. We will vote your shares only as you indicate.

HANDLING OF STOCK SPLITS AND OTHER DISTRIBUTIONS

We will credit your Plan account for all split shares, stock dividends and other distributions of our common stock.

In the event of a stock subscription or other offering of rights to shareholders, your rights will be based on your total registered holdings (the shares held in the Plan and outside of the Plan). A single set of materials will be distributed that will allow you to exercise your total rights.
